Q: What pizzas have the best fresh ingredients?

A: Based on the reviews provided, it appears that the following pizzas stand out for having the best fresh ingredients:

1. The "White Album" pizza with ricotta, mozzarella, garlic, and spinach, which mentions that their cheese is creamy but not heavy, and the fresh garlic adds a perfect punch.
2. The seasonal spring offering, featuring asparagus, green garlic, and fresh peas, which praises its bright and delicious flavor.
3. The "Mediterranean" pizza, which highlights its briny olives, tangy feta, fresh tomatoes, and herb-infused olive oil.

These pizzas seem to emphasize the use of fresh ingredients, such as fresh tomatoes, garlic, asparagus, peas, ricotta cheese, and herbs.
